

CAR SEAT SUN SHIELD

PROTECT CAR SEATS FROM HEAT AND HARMFUL UV RAYS
ACCESSORY

Protect car seats from heat and harmful UV rays with the Britax® **Car Seat Sun Shield**. The sun can warm your vehicle's interior to more than 100 degrees, and when your car gets hot, so can your car seat's plastic and metal components. But the sun shield's durable UPF 50+ material keeps things cool and its universal fit is compatible with any Britax seat – and most other car seat brands as well. The shield's design makes application and repositioning easy for everyday use and it includes a vinyl bag for convenient storage. Your car seat will stay cooler and your little one's delicate skin will thank you.

FEATURES

Durable, reflective material keeps your child's car seat cool and protects from damaging rays

Universal Fit allows for use on all Britax car seats as well as most other car seat brands

Easy slip-on/slip-off design for convenient everyday use

Easy to store
